Subject: Staff Recommendation to Cancel Certificate of Service Authority and Accompanying  
Tariff

Date: May 13, 2005

On April 18, 2005, Phonetec PCS, LLC (Phonetec), a competitive telecommunications company, filed its Application for Cancellation of Certificate of Service Authority. Phonetec was granted a certificate of service authority to provide interexchange telecommunications service on January 16, 2004, in Case No. XA-2004-0270.

According to Phonetec's application, the company has no customers in Missouri so cancellation of its certificate of service authority is not detrimental to the public interest. The Staff has no objections to the request for cancellation and recommends that the Commission issue an order to cancel Phonetec's certificate of service authority to provide interexchange telecommunications service and accompanying tariff, P.S.C. Mo. Tariff No. 1. The Staff is unaware of any other filing which affects or which would be affected by this proposal.
